The cost of joining one of these classes is \$25.00. This includes your member book, contribution towards the DVD set and incentives. The class fee needs to be paid before the first day of the study. Joyce is collecting money for each person joining. You can pay in full, or just a little at a time.

We hope you will prayerfully consider joining us on our journey through "James." Class will be for about 15 weeks with a break for Easter.
