The Inescapable God

Do you want to more fully experience your relationship with God? God loves each of us deeply and He desires to be intimately involved in our lives. This class will equip you to pursue a deeper relationship. One can also come to a more complete understanding of the events in our own lives and how God is using them to bring us closer to Him. If you fully yield yourself to God's call for an intimate relationship, at quarter's end you will possess a hunger to know God better. Jim Hodges will lead this class.

1st John

It's so easy to get lost in the darkness of this world; people have all sorts of illusions about life and God. The apostle John wrote to his "beloved children" about the light and reality of Jesus - His humanity, deity, and His simple offer of eternal life and love with Him. J.W. Yearsley will lead this class.

Evolution vs. the Bible

Nadew Haile will lead this class.

Haggai, Zechariah and Malachi

Come learn of these often overlooked books of the Old Testament.

Haggai speaks to the few Jews who have returned to Judah from the captivity in Babylon. He exhorts them to "consider their ways" and to complete the Temple as its foundation had been laid eighteen years before. The people responded, and the Temple was completed in 516 B.C.

Zechariah wrote to encourage the remnant, who had recently returned from exile. Their faith in God was weak and they were not motivated to build the temple. They needed to learn and conform to the law of God again.

Malachi deals with the people brought back from the captivity of Babylon. Its last verses evidently close the testimony of Jehovah to the people, till the coming of him who should prepare the way of Jehovah. Byran Best will lead this class.
